Dear Prof. Dina Shohyieb

It's pleasure to invite you to join our Graduation project jury committee,
"Cruise Terminal and Transportation Projects Hub"
**portation Hubs as an approach to the Regional Development of Suez Canal Terans
Region**

The graduation day will be on the same day of the 10th anniversary of Architecture & Urban Planning Department at Suez Canal University on 17th July 2019. The jury committee consists of unique group of professors from different universities; it will be good opportunity to present IMPAQT project to other colleagues to disseminate and spread the vision of IMPAQT between our students, teaching assistants, and colleagues.

We would like to eager the benefit from your visit, and it's our pleasure always to have you in Suez Canal University.

Prof. Mahmoud Fouad

Dean of Faculty of Engineering,
Suez Canal University
IMPAQT Coordinator in SCU
